Sir,

I have the honor to state that the Parapathegar of the Durgi Mutt applied for the free grant of a site - 88 X 88 square yards in extent to the West of the Government Hindustani Boys' school at Chitaldrug for the construction of a building for the Lingayet Students' Home at a cost of about Rs 15000 In company with the Swami of the Mutt, I inspected the site which lies between the Bangalore-Dharwar provincial road and a fortwall of the town close to which there is a wide and shallow ditch which has to be filled up by dismantling a part of the fort wall. In my opinion the site is suited for building purposes

2. There are two private sites of small extent included in the area now applied for by the Mutt One measuring 11 X 22 square yards is stated to belong to Shanbhog Subba Rao who has been paying a vacant site tax of one rupee and who demands a compensation of Rs 200 and the other measuring 25 X 17 square yards is claimed by Mahomed Saib, retired Jamadar of the District Office He has not been paying any tax for more than 12 years The market value of the latter site is estimated about Rs 53 The claims of these two men will have to be examined and the two sites acquired

3 At a special meeting held on the 2nd instant, the council resolved that the site measuring 234 X 261 square feet or 6786 square

Requesting sanction to the proposal of the Municipal Council of Chitaldrug town to grant a vacant site to the Lingayat Math for the construction of a Lingayat Students' Home at Chitaldrug

yards be granted free of cost to the Mutt on condition that it should bear the cost of acquiring the two private sites, and that the building should be constructed on a plan approved by the Municipality and that it should be used only for public purposes such as the location of a school, Hostel &c therein. The value of the site is estimated at about Rs 648 at a fair price of 2 annas per square yard An extract from the proceedings of the Municipal Council is herewith attached

4. I request that the proposal of the Municipal Council may be sanctioned. Steps for the acquisition of the two pieces of land in the holding of private persons as stated above will be taken after the receipt of sanction for the grant of the site A rough sketch of the site proposed to be granted is enclosed

5 The Mutt authorities are keen on beginning work without delay and seek early orders about the site The construction of a decent Students' Hostel for the Lingayets - who form a large section of the population of the District and who stand in need of some stimulus to go in more largely for English Education - will be very useful and the building will also add to the beauty of the town I request the favor of very early orders
